

BROOKE & CONNOR

HI! WE ARE BROOKE & CONNOR

WE ARE SO BLESSED THAT YOU ARE CONSIDERING PLACING YOUR CHILD FOR ADOPTION.

Our hope for you as you read through our profile is to get a little glimpse of what life would be like for your child. We will be praying for you and your child as you go through this journey. To you and your child, you will always be loved by us. As you make this decision, we want to thank you for considering us as your child's adoptive parents.

ABOUT US...

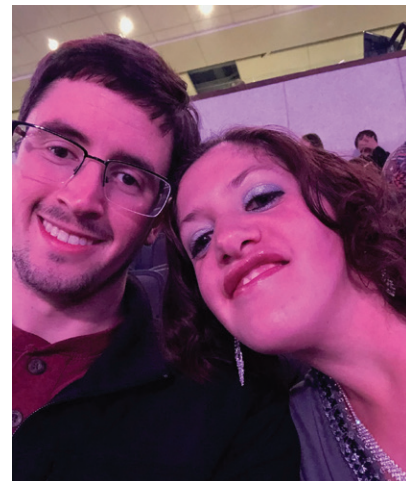

WE BELIEVE BEING CHOSEN BY A BIRTH MOM TO PARENT HER CHILD IS AN ABSOLUTE PRIVILEGE AND BLESSING.

We believe that God's plan was for us to be together. Brooke became aware of her inability to get pregnant when she was 18 years old. From that moment on, she knew she would become a mother in a different way. ***Connor was adopted as an infant and has always been a strong advocate for adoption.*** He too believes that God puts us all together for a better plan. We are thrilled to become parents through adoption.

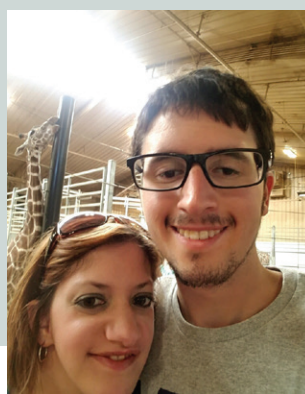

We met online through one of the dating websites and on our first date, we both knew we were made for each other. Being together for 8 years and married for 3 of them, we have had our ups and downs.

Through all our trials of hardship and celebrations, our faith in God and our love for each other have always been at the forefront of our marriage.

Both of us live an active lifestyle where we like to work out, go on walks, travel, and go to music concerts. We also like to watch movies, either in theaters or cozied up at home on a cold night. ***One of the best traditions we started when we first dated was to feed bread to the ducks at one of the ponds we take our walks on.***

ABOUT BROOKE

Brooke is a preschool teacher and works Monday through Friday. She always has weekends and holidays off. Brooke also has summers off and will be home with our child. Our newly adopted child will attend daycare during the school year. Being a teacher, Brooke has good contacts in our community daycares. ***As a mom, I know Brooke will be loving, supportive, and caring to our child.***

Brooke has always known that she has wanted to work with children. Brooke absolutely loves children and we joke often that she will be telling me how to raise our child. As an educator, she gets to spend her day teaching them and learning from them. ***Brooke is compassionate, energetic, and loving.***

ABOUT CONNOR

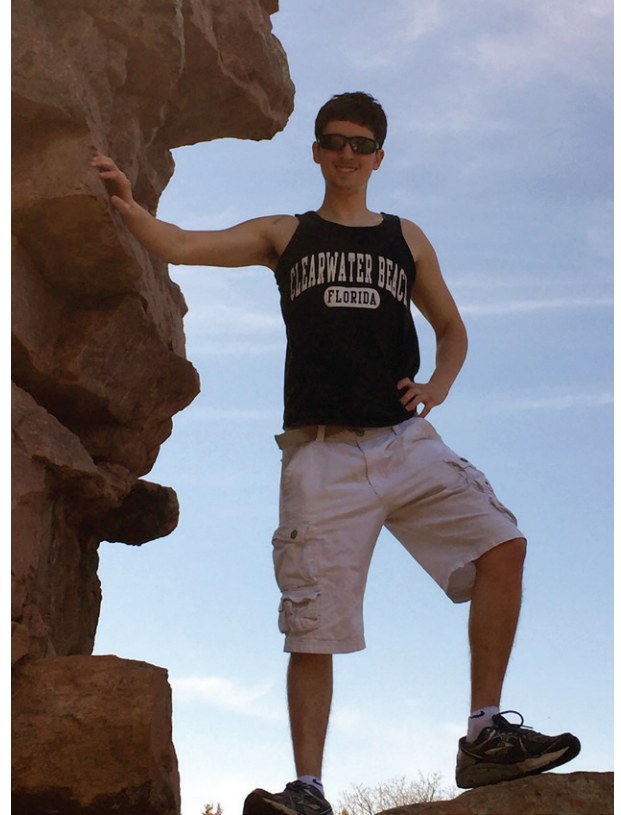

One of the things that I love about Connor is how hard he works at his job, and that he takes great pride in what he does. Connor is a CDL driver. He works in the recycling industry Monday through Thursday and has holidays and weekends off.

Connor is loyal and dedicated to his family and friends. He is always there to help his dad, my dad, and his best friend when they need him. Connor has a keen sense of humor and is always there to make me laugh when I have a bad day. Having been adopted himself, Connor can offer a positive perspective to our child. I have always known that Connor will be a wonderful dad to our child! ***I can see him sitting down with our child when they have a bad day and making him or her laugh in just seconds by being his goofy self.***

FAMILY

WE ARE BOTH VERY CLOSE TO OUR FAMILIES. BETWEEN FAMILY AND FRIENDS, WE ARE WELL SUPPORTED. BOTH OF OUR FAMILIES CANNOT WAIT TO EMBRACE OUR CHILD WITH OPEN ARMS. OUR FAMILIES CHERISH TRADITIONS, AND WE CAN'T WAIT TO CREATE NEW TRADITIONS WITH OUR CHILD.

BROOKE'S FAMILY

Brooke's parents live about 30 minutes away from us on an acreage with a pool and can come to the rescue if we need them to. Brooke has two sisters who are married with young children. They live about 10 minutes away from us. ***We celebrate birthdays, holidays, and a lot of "just because it's a beautiful day to be together."*** Brooke's family celebrates a couple of traditions throughout the year.

On Halloween, we get together and go trick-or-treating with all our nieces and nephews. During Christmas, we get together to bake and decorate cookies together. For the 4th of July, we celebrate at a lake cabin that has been a tradition since before Brooke was born.

FAMILY

CONNOR AND HIS ENTIRE FAMILY HAVE KNOWN THE TRUE BLESSING OF ADOPTION. CONNOR AND HIS BROTHER ARE BOTH ADOPTED AND THEY HAVE A COUSIN, LILY, WHO IS ALSO ADOPTED.

CONNOR'S FAMILY

Connor's parents live 5 minutes away and we see them often. Connor has a brother who recently got married and has their first child on the way. They live a couple hours away and come back to visit often. **Connor and his entire family have known the true blessing of adoption.** Connor and his brother are both adopted and they have a cousin, Lily, who is also adopted. The 3 of them are extremely close and have an incredible bond. We celebrate birthdays and holidays, and play a lot of cards with Connor's family. At the beginning of summer, someone always needs to be the first to jump in the pool to "break the ice" and there is always a video to capture the moment. For Memorial Day and Labor Day, we get together with family to swim at Connor's parent's pool and to cook on the grill. During the summer, we also like to get together at a lake with family and friends.

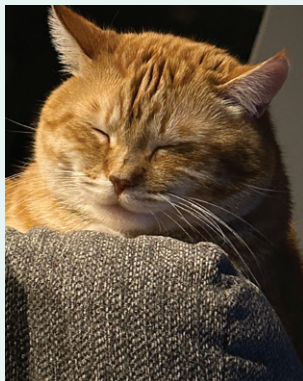

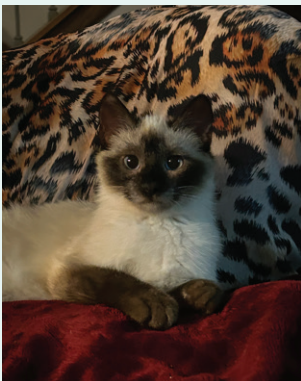

OUR HOME

We live in a small city with many cultural, academic, and athletic opportunities. Our beautiful 2-story home has three bedrooms and two and half baths with a large family room. The community we live in is a family-friendly neighborhood with two parks that are within walking distance from us that I know we will use all the time.

OUR PETS

We have three cats that we love. Rudy is our shy five-year-old who loves to be up high and loves to cuddle with his favorite people! Calvin is our sassy five-year-old who loves to talk back and loves pets, especially when we're trying to sleep. Bella is our one-year-old princess who loves to play and is a chatterbox, all the time! Our cats are spoiled rotten and they each have their own personalities and show us love in their own way.

WHAT WE HOPE TO OFFER A CHILD...

...LOVING, NURTURING,
CHRISTIAN HOME
...SECURITY
...KINDNESS
...AND MUCH MORE.

Raising our child in a Christ-centered home with Christian values is important to us. We want our child to know that we are always supportive even if he / she has challenges. We all learn from our mistakes. We will be loving and gentle, but will offer structure and expectations.

We both graduated from college and want our child to have this opportunity as well. We will start a college fund, and our parents (paternal grandparents) have already started a fund.

Currently, we have no children. We are very excited about the privilege of adopting a child. We would eventually like to adopt a second child. We know that the plan for our life is always in the hands of God.

When selected by an expecting mother, we would certainly value pregnancy updates, but will let her choose. We most definitely are willing to provide pictures, letters, and updates after the birth. We are very open to meeting her pre-birth and /or post-birth.

THANK YOU!

Thank you for taking the time to read through our profile. We hope you were able to get a picture of what life would be like for your child if you choose to give us the privilege of parenting your child. We want you to have peace in your mind about making this decision. We want you to know that we will pray for you, and for your child.

WITH LOVE, CONNOR & BROOKE
