

HI!

WE ARE JUSTIN & SARAH

We are excited to start a family through adoption. We knew from the beginning of our relationship that we wanted to adopt! We feel we are meant to be parents, thank you for considering us!

ABOUT US

We met through a mutual friend, who believed we would fit well together. After we met, we messaged each other over the next couple months during the beginning of the pandemic. We dated for a little over a year before getting married. We have been married for almost 3 years now!

As a couple we have always valued our time together and know that family time will be a priority as we build our family. We deeply value heartfelt conversations about our feelings, our needs and wants, and our ideas for our future. We look forward to including a child in those conversations someday! We both appreciate honesty and stability and know that we can offer that to a child.

Coffee dates on Saturdays and walks at different parks in Sioux Falls have always been activities that we have enjoyed together. We also like to try out new restaurants, kayak, and watch tv shows. Throughout each year, we take trips to visit family. We also take a yearly vacation with our pup, Roux.

COFFEE DATES ❤️ WALKS IN THE PARK

We live in Sioux Falls. Our house has 4 bedrooms and 2 bathrooms with a big fenced-in backyard. The neighborhood is safe and filled with families. We like our quiet nights at home where we can relax and enjoy each other's company.

THOUGHTS ON ADOPTION

We want to offer a child a stable home where they can feel safe and comfortable to be themselves. We will support and guide them through the ups and downs of growing up and the life lessons that come their way. We want to instill a sense of responsibility, honesty, and respect for themselves and others.

We believe that a child's education is important, and that they learn from daily life as well as school. We hope to teach them how to love others, how to interact and properly communicate with others, and lead them by example throughout our daily lives.

We also have a large, loving extended family and many close friends that will be happy to love and support this child along the way.

ABOUT ROUX

Roux became a part of our family 2 weeks after we were married! She is a 4 year old Australian Shepherd with lots of energy and a big personality! She enjoys daily walks and adventures at the off-leash park in town. She is a sweetheart and loves getting attention from other dogs and people. She is gentle with children and will be a great companion to a child in our home.

THANK YOU!

We are grateful for your courage to choose adoption. We will love and care for your child as our own! Thank you for considering us!
